### **Condolence Message: Passing of Md. Shihabul Islam**

With a heavy heart and profound sorrow we mourn the sad demise of Md. Shihabul Islam, a student of the Department of Electrical and Electronic Engineering of East West University who was an exceptional young individual—intellectually gifted, promising and deeply loved by the faculty and peers alike.

He passed away on 05 May 2025 at the very premature age of 24 years. This loss is not only deeply personal to his family but also heartbreaking for every individual of the university. The catastrophe of this scholarly learner made a void for the entire East West University community.

We express our heartfelt condolences to the bereaved family and pray to the Almighty Allah (SWT) for the salvation of his soul.
