East West University Successfully Arranged a Day-Long Job Fair

East West University (EWU) hosted a day-long 'Job Fair' on 15 November 2025, connecting thousands of aspiring graduates with 70 leading national and multinational organizations. The event was inaugurated by Muhammad Fouzul Kabir Khan, Adviser to the Ministry of Power, Energy, and Mineral Resources at the EWU campus in Aftabnagar, Dhaka. In his address, Mr. Khan called on the youths to enter politics, stressing the critical need for ethical leadership.

Professor Dr. Mohammed Farashuddin, Chairperson of the Board of Trustees (EWU), emphasized the importance of entrepreneurship for national development. Professor Dr. Shams Rahman, Vice Chancellor of EWU, stated that the 'Job Fair' is organized to establish a vital link between industry and academia. He noted that at the job fair, students are not only applying to their preferred organizations, but organizations are also able to find their preferred graduates.

A total of 70 companies, including banks, NGOs, telecom operators, RMG, beverage, electronics, software companies, financial institutions, non-profit organizations, pharmaceuticals, and HR professional training institutions, participated in the event, providing a wide array of career opportunities for EWU students and alumni.

Message

Welcome to East West University!

Since 1996, East West University (EWU) has been more than a place of learning - it has been a center of ambition, opportunity, and transformation. What began with a small group of dedicated educators and a single mission—to provide quality, affordable, and relevant higher education in Bangladesh—has evolved into a vibrant academic community. Today, EWU serves over 16,000 students, supported by more than 434 faculty members across a diverse range of undergraduate and graduate programs. This steady growth reflects the trust placed in us by students, families, and society, and our enduring commitment to academic excellence. Aligned with the vision of its founders, EWU also supports students from diverse socio-economic backgrounds through merit-based scholarships and need-based financial aid.

EWU's dedication to quality, relevance, and sustainability has earned both national and international recognition. We are ranked among the top 5 private universities in Bangladesh and placed third in Sustainability in the latest QS rankings. Our Faculty of Business and Economics holds accreditation from the Accreditation Council for Business Schools and Programs (ACBSP), and our BBA program is accredited by the Association of Chartered Certified Accountants (ACCA). Our programs in Computer Science and Engineering (CSE), Electrical and Electronic Engineering (EEE), and Civil Engineering (CE) are accredited by the Board of Accreditation for Engineering & Technical Education (BAETE) under the Washington Accord. EWU is also affiliated with the Chartered Financial Analyst (CFA) Institute and partnered with the Government of Bangladesh's Skills for Industry Competitiveness and Innovation Program (SICIP). Supporting these efforts, our Institutional Quality Assurance Cell (IQAC) ensures a strong outcome-based learning environment through continuous improvement of teaching, learning, and assessment.

Our curriculum is designed to prepare students to compete confidently on a global stage while remaining responsive to the needs and realities of Bangladesh. We take pride in our

growing alumni network—graduates who are contributing meaningfully across business, technology, research, public service, and creative industries at home and abroad.

At the core of EWU's academic strength is its faculty. Our educators combine local insight with international exposure, bringing real-world perspectives into the classroom. Research and innovation are central to our identity, supported through the East West University Center for Research and Training (EWUCRT), which promotes faculty- and student-led research that advances knowledge and serves society.

Education at EWU extends beyond academics. A vibrant campus life—featuring cultural activities, sports, volunteer initiatives, and over twenty student clubs—encourages leadership, creativity, and community engagement. Student well-being is supported through on-site counseling services, healthcare facilities, modern dining spaces, sports courts, and the Dr. S. R. Laskar Library with extensive physical and digital resources.

Preparing students for professional success remains a priority. The Entrepreneurship Development Center and Career Counseling Center support skill development, internships, and career placement through strong industry and institutional partnerships.

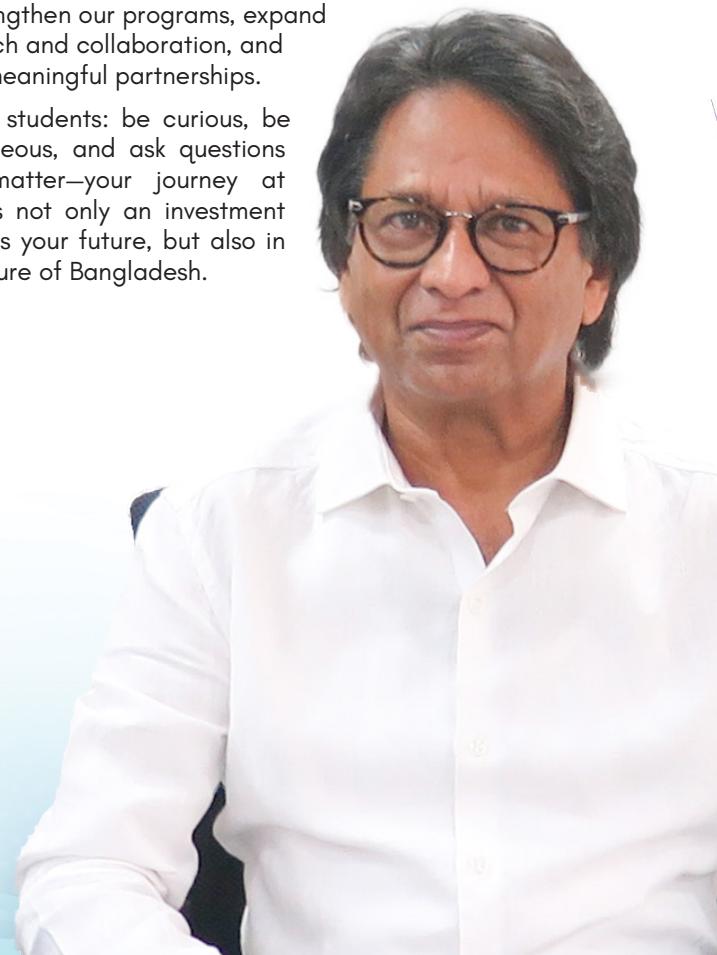

As we move forward, we will continue to strengthen our programs, expand research and collaboration, and build meaningful partnerships.

To our students: be curious, be courageous, and ask questions that matter—your journey at EWU is not only an investment towards your future, but also in the future of Bangladesh.

Sincerely,

Professor Dr. Shams Rahman
Vice Chancellor

OVERVIEW OF MAJOR EVENTS AT EWU

Memorandum of Understanding

EWU and UIU Sign MoU to Strengthen Research Collaboration

East West University (EWU) and United International University (UIU) have signed a Memorandum of Understanding (MoU) aimed at establishing a strong and sustainable framework for collaborative research. The agreement reflects a shared commitment to advancing academic excellence, fostering innovation, and promoting knowledge exchange with meaningful national and global impact.

Under the MoU, joint research initiatives will be coordinated by the Center for Research and Training (CRT) at East West University and the Institute for Advanced Research (IAR) at United International University. The partnership seeks to encourage multidisciplinary collaboration through joint research projects, capacity-building programs, and co-authored scholarly publications.

The MoU was formally signed on December 17, 2025, at United International University by Professor Dr. Shams Rahman, Vice Chancellor of East West University, and Professor Dr. Abul Kashem Mia, Vice Chancellor of United International University.

Highlighting the importance of the collaboration, Professor Dr. Shams Rahman noted that the partnership would create new opportunities for high-impact research and enable faculty members and researchers to contribute more effectively to societal development. Professor Dr. Abul Kashem Mia emphasized that the agreement aligns with

UIU's strategic vision of strengthening research excellence through meaningful institutional collaboration.

The implementation and coordination of activities under the MoU were facilitated by Professor Dr. Ahmed Wasif Reza, Dean of the Faculty of Sciences and Engineering at EWU, and Professor Dr. M. Rezwan Khan, Executive Director of the Institute for Advanced Research (IAR) at UIU.

EWU Signs MoU with Okayama Shoka University, Japan, for Student Exchange Program

East West University (EWU) has taken a significant step toward expanding global learning opportunities by signing a Memorandum of Understanding (MoU) with Okayama Shoka University, Japan. The agreement aims to foster cross-cultural understanding, academic collaboration, and international mobility for EWU students.

The MoU was signed on 11 November 2025 at the Okayama Shoka University campus in Okayama, Japan. Professor Akio Ijiri, President of Okayama Shoka University, and Dr. Ashik Mosaddik, Pro Vice-Chancellor of East West University, signed the agreement on behalf of their respective institutions.

Professor Ashik Mosaddik, Pro-VC, EWU with Prof. Akio Ijiri, President of Okayama Shoka University

Bangladesh Ambassador to Japan, Md. Daud Ali attended the ceremony as a special guest and emphasized the importance of strengthening educational ties between Bangladesh and Japan. This MoU marks a milestone in EWU's commitment to internationalization and global engagement.

EWU Socio-Psyche Counseling Center

The Socio-Psyche Counseling Center (SPCC) at East West University is the source for necessary psychological support to the students of this university as they go through the daily academic challenges on campus and the personal challenges at home and at university. The SPCC psychologists guide EWU students to cope with mental health issues ranging from anxiety attacks to depression and other issues which become obstacles for these students to achieve success academics and in extracurricular activities.

There are two psychologist counselors. Each counselor holds counseling sessions with maximum five students daily, to guide them to overcome mental health challenges. Between September 2025 and October 2025, 81 students received counseling through a total of 126 sessions. These numbers indicate the SPCC's dedication towards guiding many East West University students to cope with mental challenges.

Department of Mathematical and Physical Sciences (MPS), East West University, organized the 16th Dhaka

South Regional Undergraduate Mathematics Olympiad 2025 (DSRUMO25) on 21 November 2025. The event was inaugurated by Professor Shams Rahman, Vice Chancellor, East West University. Professor Dr. Shahidul Islam, President of the Bangladesh Mathematical Society (BMS) and Vice Chancellor, Pirojpur Science & Technology University, attended the inaugural session as the Special Guest. The Olympiad, a regional segment of the National Undergraduate Mathematics Olympiad, brought together students from reputed public and private universities and colleges across the Dhaka South region.

Departmental Colloquium

Dr. Md. Fazlul Karim, Professor of Mathematics, presented a research topic titled "Sensitivity of Double-Diffusive Mixed Convection in an Enclosure with a Zigzag Bottom Wall and a Torsionally Oscillating Lid Using Hybrid Nanofluid" on 6th November 2025. His study explores the physical behavior of a bottom zigzag cavity filled with a hybrid nanofluid under a torsionally oscillating lid using CFD and ANN methods.

Achievement of Faculty Members

Dr. Zubair Hasan and Dr. Nazmul Abedin Khan Received MoST Special Research Grant

Dr. Zubair Hasan and **Dr. Nazmul Abedin Khan** received Ministry of Science and Technology (MoST) Special Research Grants of BDT 5 lakhs on their project titled "Synthesis of bimetallic zeolitic imidazolate frameworks (ZIFs) and ZIFs derived carbon composites for catalytic and adsorptive removal of PPCPs and dyes from aqueous environment".

Dr. Nasima Akter Mukta and Dr. Mongur Hossain Received MoST Special Research Grant

Dr. Nasima Akter Mukta and **Dr. Mongur Hossain** received Ministry of Science and Technology (MoST) Special Research Grants of BDT 6 lakhs on their project titled “Preparation of electrospun bi-polymeric scaffolds from sugarcane bagasse lignin and alginate to assess their efficacy in biomedical applications”.

Dr. Thamina Acter received the Ministry of Science and Technology (MoST) R&D grant of BDT 80,000 for her project titled “Molecular-level characterization of sedimentary organic matter (SOM) in estuarine regions of Bangladesh using ultrahigh-resolution mass spectrometry”.

Four faculty members—**Ms. Shobha Islam**, **Mr. Apurbo Roy Chowdhury**, **Mr. Syed Shovon Mahbub Mahin**, and **Mr. Md. Aminul Islam** Shazid-all serving as Lecturers, have received the prestigious Dean’s Honor Award from the Faculty of Science, University of Dhaka, in recognition of their outstanding academic achievements.
